

‘Ōlelo Hawai‘i Workshop Series at UHH & HAWCC

Nā Pahuhopu (Goals):

- **Ulu ka hoi** – To nurture interest in and enjoyment of ‘ōlelo Hawai‘i, leading to further pursuit of Hawaiian language knowledge and ability.
- **‘Olu‘olu** – To provide a comfortable, low-stress setting for the acquisition of basic Hawaiian competency through:
 - simple and fun communicative language activities
 - practice in correct pronunciation
 - development of knowledge of basic vocabulary
 - learning “functional chunks” of language as opposed to in-depth analysis of grammar
- **Hele a ma‘a i ka puana pololei**– To increase familiarity of participants with correct Hawaiian usage through ongoing practice.
- **Ma ka hana ka ‘ike** – To normalize an awareness of, competency in, and appreciation for the importance of the Hawaiian language in the university and community contexts.
- **Launa aloha** – To introduce Hawaiian greetings for use in conversation (face-to-face, telephone, written communications, and electronic media).
- **Ho‘oulu kaiaulu** – To facilitate a community of learners to support each other to contribute to the growth of the Hawaiian language in the university setting.
